10th Annual StoryPros Awards Screenplay Contest

Terms, Rules & Conditions / General Release Waiver

Please read carefully and thoroughly prior to entering the contest.

Eligibility

Entry fee per script is \$40 (U.S.) for an entry if postmarked/emailed by February 28th, 2017.

Entry fee per script is \$50 (U.S.) for an entry if postmarked/emailed from March 1st-31st, 2017.

Entry fee per script is \$60 (U.S.) for an entry if postmarked/emailed from April 1st-30th, 2017.

Feedback is available for any entry for \$40 more in addition to the basic entry fee. Feedback option is not required for contest entry and does not increase the chance of placing higher in the contest results. Feedback is typically two to three pages of page notes & development notes. Feedback is delivered according to the entrant's delivery preference, and in the order received.

This contest is open to anyone except all employees, directors, associates, the immediate families of StoryPros, and all the affiliates and/or sponsors.

The script must have title page containing: the title, author's name, E-mail address, phone number and home address. WGA Registration or Federal Registered Copyright is recommended but not required.

Submissions must be: feature length (narrative); 70-130 pages. Exceptions to these page limits are possible but the author(s) must obtain permission in advance from StoryPros.

Multiple entries are permissible, but each entry must be accompanied by its own full Entry Form, signed, and an applicable entry fee.

Once a script has been entered, no substitutions of new drafts or corrected pages will be considered. You may submit a revised draft of your script, as a new submission and pay the appropriate entry fee applicable at the time of re-entry -- if so, your prior version will no longer be in competition.

Adaptations from other works are permissible provided you have the writer's written permission to adapt the work.

Adaptations of works in the public domain are permissible.

Collaborative work is eligible, but both authors must be listed on the entry form and both sign the official Entry Form, contest terms, rules and regulations form, and general release waiver. The writers are responsible for the distribution of the contest prize (s) between themselves.

Writers under the age of 18 years old must sign the Entry Form and have a parent or guardian sign the Entry Form.

Contest applicants must accept without reservation the decisions rendered by the jurors.

StoryPros reserves the right to disqualify any contestant for any reason. In case of disqualification, all fees will be returned to the contestant, and all submitted materials will be discarded.

The screenplay must not have been previously sold or produced for profit or currently under option. Prior contest winning scripts from other contests are acceptable, but not prior StoryPros sponsored contest "prize winning entries" which are not eligible. Prize winning entries are considered entries that were awarded prizes of any kind. Prior entries that received quarterfinalist, semi-finalist, or finalist awards are eligible for entry into this contest.

Writer(s) understands and accepts without reservation that he/she is an independent contractor and StoryPros are not responsible for withholding any taxes or payments to any government agency, at any level, be it state, local or federal, with regard to the prizes won as a result of this contest. Writer(s) understands that it is his/her sole responsibility to register Material with the U.S. Copyright Office and/or with the Writer's Guild of America. Writer(s) understands that the contest entry fee covers entry, consideration and judging of the material submitted and is non-refundable.

You should retain master copies of the submitted material. Any material we receive cannot and will not be returned under any circumstances. Scripts will be destroyed or deleted by StoryPros at the end of the contest except "prize winning entries" which are promoted on our website in excerpt or complete form.

GENERAL RELEASE WAIVER:

To Whom It May Concern:

I am submitting to Story Pros, (hereinafter "you" or "your") written material(s). This material(s), consisting of motion picture or television script(s) (the "Material") is being submitted for contest entry and/or analysis/coverage (the "Service"). I recognize that you have adopted a policy of refusing to accept or consider for inclusion in the Service or otherwise review any Material unless the person submitting such Material and all other authors of the Material, if any, have signed this Agreement acknowledging that he or she understands the nature of the Service and the limitations on your liability in connection with it.

In consideration of the foregoing, I hereby irrevocably warrant, represent and acknowledge the following:

The Material is submitted by me voluntarily and not in confidence, and no confidential or fiduciary relationship between you and me exists or is being created by this Agreement or by my submission of the Material.

I am at least eighteen (18) years of age, the Material is completely original with me (or to a minor extent in the public domain), I am the sole owner and author of the Material, and have the exclusive right and authority to submit the Material to you upon the terms and conditions set forth herein, and none of the rights granted herein will libel or defame any third party or otherwise violate the rights of any third party, whether under copyright or otherwise.

No obligation of any kind is assumed or may be implied against you by reason of your inclusion of the Material in the Service.

Nothing contained in this Agreement nor the fact of my submission of the Material to you shall place you in any different position than anyone else to whom I have not submitted the Material.

You have access to, may create or have created literary materials and ideas which may be similar or identical to the Material in theme, idea, plot, format or other respects. I will not be entitled to any compensation because of the use of any such similar or identical material which may have been independently created or may have come to you from any independent source, other than with respect to any protectable literary property ("Protectable Material") contained therein. Protectable Material means any Material which is protected as literary property under copyright law. You may use without obligation to me any Materials which are not Protectable Material or which you would be free to use if the Material had not been submitted to you by me, or which is in the public domain, or which was independently conceived by another person or entity prior to or after this submission.

I hereby grant to you the right to publicly display the following information ("Material Summary") on any of your Web sites: Logline describing the subject matter of the Material; Material title; Author's name; Material's genre; And any other pertinent information that you may deem advisable from time to time in your discretion (e.g., awards, project status, writer availability, and the like). You will notify me of your decision to include any other information not referenced above. In addition, I may notify you in writing that I do not desire to have such coverage displayed on your Web site.

I understand that you make no representations or warranties associated with the public display of the Material Summary and I assume all risks associated therewith. I acknowledge that you will not track or otherwise record the identity of visitors who view any Material Summary information. You shall be under no obligation to publicly display the Material Summary and you may refuse to do so or remove it from display at anytime.

If public display or your promotion of the Material Summary leads to a successful sale, option, agent/manager signing, or the like, I grant you permission to use my name and/or the contents of our communication concerning such successful sale, option, agent/manager signing, or the like, for publicity purposes.

Except as otherwise provided in this Agreement, I hereby release you, from any and all claims, demands, and liabilities that may arise in relation to the Material or by reason of any claim now or hereafter made by me that you have used or appropriated the Material or any portion thereof. If you use any Protectable Material from the Material, provided it has not been obtained from, or independently created by, another source, and if the foregoing release is held invalid or inapplicable by any court of competent jurisdiction, I agree that your liability shall be limited to an amount which is comparable to the fair market value thereof as of the date of this Agreement, but in no event more than the applicable Writers Guild of America minimum scale payment for such Material. If we are unable to agree to said amount, or in the event of any dispute concerning any alleged use of said Material (e.g., whether you have caused the Protectable Material to be used), or any other dispute arising out of or in connection with the Protectable Material or with reference to this Agreement, its validity, construction, performance, non-performance, operation, breach, continuance or termination, such dispute shall be submitted to arbitration in the County of Los Angeles, State of California, in accordance with the rules and regulations of the American Arbitration Association then in effect, provided that said arbitration shall be heard before a single arbitrator, selected pursuant to said rules and regulations. Each party hereby waives any and all rights and benefits which he or it might otherwise have or be entitled to under the laws of California to litigate any such dispute in court, it being the intention of the parties to arbitrate, according to

the provisions hereof, all such disputes. Said arbitrator shall be well acquainted with the entertainment business in the County of Los Angeles. The arbitrator's decision shall be controlled by the terms and conditions of this Agreement and shall be final and binding, and shall provide for each party to bear his or its own costs of arbitration and attorneys' fees. I agree that the amount of any award shall be an amount which is comparable to the fair market value thereof as of the date of this Agreement, but in no event more than the applicable Writers Guild of America minimum scale payment for such Material. Judgment upon the award of the arbitrator may be enforced in any court of competent jurisdiction. If either party shall fail to appear at the hearing on the date designated in accordance with the rules of the American Arbitration Association, or shall otherwise fail to participate in the arbitration proceeding, then the arbitrator is empowered to proceed ex parte. In the event of any dispute concerning the Material or this Agreement, my sole remedy shall be to seek damages and in no event shall I be entitled to seek injunctive or other equitable relief or undertake any legal efforts or restrict your right to use the Material.

I acknowledge and agree that you may retain the original of the Material submitted hereunder and that I have retained at least one copy of the Material. As such, I hereby release you from any liability for loss or damage to the Material or copies thereof. I understand that should you return the Material to me, such action shall not terminate or affect any rights or obligations under this Agreement. In addition to making the representations and warranties set forth above, I also acknowledge my understanding of and agreement to the following:

The Service is an open service with the express purpose of adjudicating literary material, awarding literary material prizes (whether monetary, goods, placement, etc.) and facilitating introduction and interaction between writers and parties interested in optioning or acquiring literary material. You do not attest to or guarantee the validity or legitimacy of any entity who accesses the Service.

It is my sole responsibility to protect the Material, including filing or registering the Material with the Writers Guild of America or the United States Copyright Office. You strongly recommend that I register the Material with one or both of the aforementioned parties.

You do not purchase literary material and are not agreeing to purchase or to arrange for purchase of the Material. You do not warrant or guaranty that any of your contacts or associates will purchase or be interested in the Material.

You do not submit Material to interested Service visitors and parties. The decision whether or not to submit the Material to, and/or enter into an agreement with, any interested party, if any, shall be solely mine. You will have no responsibility for such agreements.

You reserve the right to change, alter or modify the format or layout of the StoryPros website at any time.

I will defend and indemnify you against any liabilities, losses, claims, demands, costs or expenses (including, without limitation, attorneys' fees and court costs) incurred at any time in connection with the Material and/or the Material Summary or in connection with any breach or alleged breach by me of any of the representations, warranties or agreements contained herein. I agree that I must give you written notice by certified or registered mail at your address as set forth on StoryPros, of any claim arising in connection with the Material and/or the Material Summary or arising in connection with this Agreement within the period of time prescribed by the applicable statute of limitations, but in no event more than 10 calendar days after I acquire knowledge of such claim, or if it be sooner, within 10 calendar days after I acquire knowledge of facts sufficient to put me on notice of any such claim. My failure to give you written notice will be deemed an irrevocable waiver of any rights I might otherwise have with respect to such claim.

You and your assignees may assign your rights under this Agreement, in whole or in part, in any manner and to any person, corporation or entity that you shall determine.

The word "you" and "your" in this Agreement refers to StoryPros, its contacts and associates and any parent or subsidiary company, any company affiliated with it or them, its and their subsidiaries, subsidiaries of such affiliates, any person, corporation, or entity to which it or they may have an affiliation for development and/or production of motion pictures based on the Material, and the officers, agents, attorneys, servants, employees, directors, stockholders, licensees, successors and assigns of it and all such persons, corporations and entities referred to in this paragraph. If the Material is submitted by more than one person, the word "I" shall be deemed changed to "we" (and the corresponding verb changed to the first person plural), and this Agreement will be binding jointly and severally upon all such persons.

Any provision or part of any provision which is void or unenforceable shall be deemed omitted, and this Agreement with such provision or part thereof omitted shall remain in full force and effect. This Agreement shall at all times be construed so as to carry out the purposes stated herein.

This Agreement may not be changed, modified, terminated or discharged except in writing signed by both you and me. This Agreement, regardless of where executed or performed, shall be governed by, construed and enforced in

accordance with the laws of the State of California applicable to agreements executed and to be wholly performed therein, any action shall be brought in such state and I hereby submit to the personal jurisdiction of the courts thereof.

I hereby state that I have read and understand this Agreement; that no oral representations of any kind have been made to me; that there are no prior or contemporaneous oral agreements in effect between us pertaining to the Material; and that this Agreement states our entire understanding.
